German Quality

Qualität bringt Freude

Wer mich kennt, sprechen hört oder meinen Nachnamen liest, weiß, dass ich nicht aus Deutschland stamme. Aber von der sprichwörtlichen deutschen Qualität hatte ich natürlich immer schon gehört. Sie spricht für sich, egal, ob es sich dabei um deutsche Automobile oder um deutsche Druckerzeugnisse handelt.

MAY führt diese Tradition fort mit ihrer ausgezeichneten Qualität von Kunstdrucken, ob in Folienprägung oder Glanzlack (aber noch immer zum konkurrenzfähigen Preis).

Seit ich Teil des MAY-Teams bin, ist mir noch klarer geworden, was deutsche Qualität bedeutet. Aber machen Sie sich selbst ein Bild und erfreuen Sie sich an unserem Katalog.

Experience the joy of true quality

People who know me, hear me speak or see my last name will probably know that I am not of German origin. However, I have always known about the proverbial “German quality”. Quality that speaks for itself, no matter whether we are talking about cars or German printing.

MAY is continuing this tradition, offering excellent quality art prints enhanced with beautiful foil embossing or a glossy varnish (and still at a competitive price).

Since I joined the MAY team, it has become even clearer to me what the words “German quality” really mean. See for yourself and enjoy browsing the pages of our catalogue.

Qualité nous met en joie

Tous ceux qui me connaissent, m'entendent parler ou lisent mon nom, savent probablement que je ne suis pas d’origine allemande. Mais de toutes façons j'ai déjà entendu parler de la proverbiale “qualité allemande”. Elle est suffisamment éloquente peu importe s'il s'agit des voitures allemandes ou des éditions d’images.

Les Editions MAY continuent cette tradition en offrant une excellente qualité de reproductions, offrant même des images avec des applications de feuilles d’or ou d’argent ou de vernis sélectif (mais toujours à un prix compétitif).

Depuis que je suis membre de l'équipe MAY j'ai réalisé encore plus ce que les mots “qualité allemande” signifient. Regardez notre nouveau catalogue, je suis sûre que vous l'apprécierez.

La Calidad nos hace felices

Todos los que me conocen, me escuchen hablar o lean mi nombre, muy probablemente saben que no soy alemana, pero siempre he conocido la proverbial calidad alemana. Ella es una prueba en sí misma, no importa si se trata de coches alemanes o de impresiónes alemanas.

MAY continúa esta tradición con su excelente calidad de impresiónes artísticas tanto si se trata de impresiónes standard, tintas oro-plata o tintas UV (spotvarnish).

Desde que formo parte del equipo MAY, comenzé a entender el Significado de la calidad alemana; ahora espero que Ud. mismo lo pueda comprobar y disfrute de nuestro catálogo.
